SPONSORSHIP LEVELS
BENEFITTING MASLOW PROJECT**

Dear Sponsor,

Maslow Project is a local nonprofit advocacy organization that provides goal-oriented, wrap-around support services to homeless families and unaccompanied youth in Southern Oregon. Our mission is to offer every homeless child and youth the probability of success and the opportunity for a better life. Last year we worked with over **2,319 homeless children and families**; distributing **2,185 emergency food boxes** and over **72,000 basic survival items** to homeless children, teens and families in our community. The **average age of our clients is 11 years old**; in fact over **400 of the youth we worked with last year were aged 5 and under**. Even more important, **92% of the school-aged youth we worked with remained enrolled in school all year** – despite the many challenges they faced in their lives.

We are hoping that your company will be able to help support the **2016 Southern Oregon Salmon Festival** at the Medford Commons (Pear Blossom Park) by becoming a sponsor of the event, which will be held on Saturday October 1st. All donations will go to benefit the Maslow Project and its work in Jackson and Josephine counties.

We've included specific information about our organization below. Please feel free to contact us if you have any further questions. And thank you so much for your consideration of our request. Your donation is helping us to make a real difference in the lives of homeless youth and families!
